RESPONSE

Applicants hereby respond to the Office Action mailed September 24, 2003, as follows:

Applicants, with traverse, elect Group I, Claims 1-16.

Applicants submit that the restriction requirement is in error in that a process that does not require using gloves on the user's hands is not materially different than the process claimed in Claims 17-21. Applicants respectfully request examination of the application on its merits.

Should the Examiner wish to discuss this response with undersigned, a call to undersigned at the telephone number given below is invited.

Respectfully submitted,

Date: 22 October 2003
